# King Valley Art Show

The Organising Committee appreciates the generosity of the King Valley Art Show sponsors. The range of prizes across various mediums emphasises the contribution our sponsors make to the quality of this Art Show.

We have some sponsors who have provided essential financial support for several years and others who are relatively new. We wish to warmly thank them all for the contributions they have made.

Dal Zotto Wines, is a family business founded 25 years ago, set in the tranquil King Valley along the foothills of the spectacular Victorian Alps of Northeast Victoria.

The Dal Zotto philosophy begins with what is closest to their hearts - family. From rural life in Italy, to settling in the King Valley, to pioneering Italian grape varieties, their journey has been a shared one. Along the way, from the good times at the table to their appetite for discovery in the vineyard and winery, it is "La Famiglia" that brings it all together.

The Dal Zotto Trattoria, now in its second year, expands upon the gustatory territory covered in their renowned King Valley winery and cellar door. This family is proud of their Italian heritage, so it's only natural that the on-site eatery at Whitfield, open on weekends and most public holidays, reflects their Italian roots and adopted Australian culture. The antipasto, mains and delicious desserts are all infused with local seasonal produce, designed specifically to compliment their wines.

Last year we congratulated Dal Zotto Wines for receiving the 2010 Victorian and Tasmanian Family Business of the Year for second generation families, awarded by Family Business Australia; this year we congratulate them for their Pucino Prosecco NV winning Best Value Sparkling Wine in The Age & The Sydney Morning Herald Sun Good Wine Guide 2011. We are delighted to have the Dal Zotto family as our Grand Prize Sponsor.

Redbank Wines gather fruit from vineyards in the King Valley and are valued long term sponsors. They once again sponsor the Best Work in Watercolour/Gouache to the value of \$1,500.

## HARGRAVES SECURED INVESTMENTS LIMITED

John Gorman of Hargraves Secured Investments in Yarrawonga has been a significant part of our sponsorship group since 2006. This year HSI are sponsoring the Best Work in Oil/Acrylic to the value of \$ 1,000.

## Friends of the Art Show

This year the King Valley Art Show organisers are very proud to announce the establishment of the Friends of the Art Show. This initiative provides opportunity for more people to be involved in contributing to the Art Show and, at the same time, a bigger range of prizes for exhibiting artists.

Congratulations to our inaugural Friends of the Art Show. Jenny Ashby & Associates; King Valley Cucina; Shades of Art; Gentle Annie Caravan Park; La Cantina Wines; Warby Street Veterinary Clinic; Ciccone Wines; Avalon Wines; Flying Duck Wines; Marg Swan; Wendy Wilson-Mick McInerney; Clarice-Jean's Cottage; Valley View Caravan Park; Pizzini Family-Mountain View Hotel.

Wangaratta Coachlines. We thank Wangaratta Bus Services for providing bus travel from Wangaratta to the Gala Opening.

We appreciate the support that David and Rhonda from Gracebrook Vineyards have provided for the Art Show over several years. This year they are again sponsoring the Best Pastel Prize to the value of \$750.

RBA Financial Group joined our group of sponsors in 2009. RBA Financial Group provides financial planning services to clients in the North East and Goulburn Valley areas. They are sponsoring the \$500 Non-Acquisitive award for Local Artist in any medium.

KING RIVER ESTATE  
KING VALLEY

Trevor Knaggs owns and operates the King River Estate winery and, with the assistance of his father Colin, planted the first vines in 1990.

Trevor's philosophy is to make the wine using traditional old world winemaking methods and wild yeast. This, along with his passion and commitment to his craft, produce elegant wines of outstanding flavour and quality. Again Trevor is supporting the Best Work in Oil/Acrylic to the value of \$500.

Casa Luna, the home of luxury accommodation in the King Valley, has been a valued sponsor for some time. They are sponsoring the Work on Paper to \$300 category.

The King Valley Tourism Association has supported the King Valley Art Show since 1997 and continues to sponsor the People's Choice Award of \$500.

KVTA

Whitlands Engineering, manufacturers of the Superaxe wood splitter, has been in our sponsorship group since 2005. This year the owners have decided to sponsor the Watercolour/Gouache to \$750 through their wine label Eminence Wines. A true boutique producer, Eminence Wines is dedicated to making distinctive wines which reflect the unique terrior of the Whitlands High Plateau. Specialising in Pinot Gris, Chardonnay and Pinot Noir, the wines are all made in tiny quantities with plenty of attention to detail. Owned and operated by the Burder family, Eminence Wines are available at a handful of Melbourne restaurants or directly from the winery.

We welcome Ovens & King Builders to our stable of sponsors in 2011. Ovens and King Builders was founded 23 years ago, and is owned and operated by Beth and Lachie Gales. They build unique and individual homes and small commercial projects. From their base in Wangaratta, Ovens and King Builders have built and renovated many homes in the King Valley area. Lachie and Beth are excited to be sponsoring the Watercolour/Gouache to \$500 in 2011.

Thomas, Gabi and Sabine Moritz run Boonderoo organic farm & sour dough bakery. They are once more sponsoring the Best Pastel to \$500.

# NOTES

A series of 20 horizontal dotted lines for writing notes.

## A short explanation of Mediums

**Oil:** Linseed or poppyseed oil based paint usually applied by brush to stretched canvas or linen or to wooden board. A traditional medium used by Da Vinci on "Mona Lisa" and Monet's Waterlillies series. In use since the 14<sup>th</sup> century, it continues to be favoured by the most respected painters of today.

**Acrylic:** Water based medium developed in the 20<sup>th</sup> century as a convenient alternative to oil. Usually applied by brush to stretched canvas or linen. Used by many painters since 1980s eg David Hockney.

**Watercolour:** Water based medium applied by soft, absorbent brushes to high quality thick cotton paper. A medium that requires deft and minimal application. Used by many English landscape artists such as Constable and Turner.

**Gouache:** A medium very similar to watercolour but with a chalky filler added for more body and over-painting qualities. Traditionally used by designers, Australian artist Fred Williams applied it with wonderful results in many of his distinctive landscapes.

**Pastel:** A medium developed in the 19<sup>th</sup> century and popular with many Impressionists – especially Degas. The pastel is a soft, dry medium that comes in handy cylindrical form and is applied to textured, coloured paper for best effects. It is a medium of great immediacy and so is popular with many artists.

**Work on Paper:** Not a medium as such – rather an explanation of any medium that is used on paper. In our Art Show it includes all printing methods such as etching, screen and lino prints, as well as mono-prints and mixed media (ie a number of different mediums applied to the same piece of paper). It also includes pastel, watercolour and gouache. Andy Warhol's Campbell soup cans are a famous example of a "work on paper".

**Printmaking:** This includes all printing methods such as etching, screen and lino prints, as well as mono-prints, woodcuts, etc. Rembrandt and Goya were exceptional exponents of etching.
